Maybe even better than free.

Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. You don't need any special software installed to be able to download your files. Simply upload your file and share the link. We have no file size limit. File is free to use with no gotchasand no hidden fees. There are no restrictions on the number of times a file can be downloaded. Keep your files private, or send your download links only tofriends or family. filehosting provides an easy possibility for you to send large files to your friends. Alternatively you can choose to share your download linkson blogs, forums and social networking sites. Any file in any format can be uploaded and downloaded for free. So try our free and simple filehosting servicenow. Files can be downloaded from any computer from our high speed servers. Our service is completely free for everyone. You can upload any type of file(movies, music, documents, images, zip files and more). When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Ifonly we could, we surely would! On the other hand, using file can actually save you money. Unfortunately, we can't make that part free. Using file, you cancircumvent those limits without paying to upgrade your team chat service. You can give this download link to your friends by mail or instant messenger. Yourwallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and ourservers, then from our servers to your friends device. It is also allowed to link to the download page from websites and communities. Why pay storage fees for afile that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps.This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Just upload the file you want to share with your friends and we sendyou a download link to your file. No account or credit card is required to get started. You decide who you want to share your files with. The cost of that datatransfer is covered by your internet service or the data plan on your phone.
