Maybe even better than free.

Alternatively you can choose to share your download links on blogs, forums and social networking sites. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Using file, you cancircumvent those limits without paying to upgrade your team chat service. If only we could, we surely would! On the other hand, using file can actually saveyou money. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Any file in any format can be uploaded anddownloaded for free. Files can be downloaded from any computer from our high speed servers. filehosting provides an easy possibility for you to send largefiles to your friends.

No account or credit card is required to get started. There are no restrictions on the number of times a file can be downloaded. So try ourfree and simple filehosting service now. Keep your files private, or send your download links only to friends or family. We have no file size limit. You canupload any type of file (movies, music, documents, images, zip files and more). File is free to use with no gotchas and no hidden fees. Simply upload your fileand share the link.

Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size offiles that can be transferred within their apps. The cost of that data transfer is covered by your internet service or the data plan on your phone. Just upload thefile you want to

share with your friends and we send you a download link to your file. It is also allowed to link to the download page from websites and communities. Our service is completely free for everyone. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. You decidewho you want to share your files with. You can give this download link to your friends by mail or instant messenger. You don't need any special softwareinstalled to be able to download your files. Unfortunately, we can't make that part free.
